

2018

Full steam ahead!

June 18-21

1pm-5pm

Completed
3rd - 8th grade

STEAM Summer Camp

Science Technology Engineering Art Math

WHERE ENGINEERING MEETS IMAGINATION

Your child will have the opportunity to create and explore the diverse elements of science, technology, engineering, art, and math through a variety of hands-on curriculum and instruction provided by experienced staff to engage in exploration with imagination and creativity!
