

Wylie ISD Drug Policy and Contract

1. The objectives for this program are:
 - i. To allow each student in programs subject to testing to make a commitment against drug/alcohol use.¹
 - ii. To provide a deterrent to drug/alcohol use for students in grades 9-12.
 - iii. To ensure the health and safety of students participating in an extracurricular activity.
 - iv. To provide a drug/alcohol education and counseling program for students who test positive for drug/alcohol use and for those students who are at risk for drug/alcohol use.
 - v. To provide students with a tool to deal with peer pressure.

2. Students in grades 9-12 who participate in extracurricular activities will be required to submit to drug/alcohol testing consistent with this policy. For the purpose of this policy, extracurricular activities include, but are not limited to:
 - i. All UIL activities;
 - ii. School-sponsored student groups/clubs/organizations
 - iii. Student Council Officers
 - iv. All elected/appointed student officers;

3. Prior to engaging in any extracurricular activity which is governed by this policy, a parent/guardian of a student, and the student, must both sign a written consent authorizing drug/alcohol testing of the student. Students who have reached the age of majority, or their disabilities of minority have been removed, will sign the written consent authorizing drug/alcohol testing of the student.

All students covered by this policy will be required to submit to random drug/alcohol testing. Random testing may be conducted at any time. Random testing may be conducted as determined by the Superintendent or the campus principal. The names of all eligible students will be placed in a computer generated "pool." Random selections from that pool will be conducted by the testing service contracted by the district.

4. Drug/alcohol testing will be done by a nationally certified drug testing laboratory. The district will contract with a certified drug-testing laboratory. The laboratory will follow strict procedures for the chain of custody and access to test results. The laboratory will provide qualified collectors to oversee collection of specimens. The service will provide

• Any controlled substance or dangerous drug as defined by state and federal law; without regard to amount, including but not limited to marijuana, any narcotic drug, hallucinogen, stimulant, depressant, amphetamine, or barbiturate;

• Alcohol or any alcoholic beverage;

• Any simulated controlled substance or dangerous drug;

• Any drug as defined by state and federal law without regard to amount;

• Any abusable volatile chemical substance for inhalation;

• Any prescription drug used in a manner not consistent with the prescription;

• Any other intoxicant or mood-changing, mind-altering, or behavior altering drugs, including pills and other over-the-counter stimulants and sedatives; or

• Any anabolic steroids.

Medical Review Officer (MRO) services for the interpretation and verification of positive results. The MRO will report all test results to designated school officials. Results will not be provided either orally or in writing to any person who has not been designated by the district to receive results. The district reserves the right to test for prohibited/illegal substances, including but not limited to: alcohol, amphetamines, barbiturates, benzodiazepines, cannabinoids, cocaine, methadone, methaqualone, opiates, phencyclidine, other illegal or addictive drug and any adulterant.

5. Drug/Alcohol Testing will be performed by urinalysis in accordance with accepted practices and procedures as established by the certified drug/ alcohol testing laboratory with whom the district contracts. Student privacy will be protected to the greatest extent possible during the collection and coding of urine specimens. Students will provide urine specimens in an empty restroom accompanied by an adult monitor. Male students will produce a sample at a urinal, remaining fully clothed with their backs to the monitor. Female students will produce a sample in a closed stall. After the specimen is produced, it will be handed to the monitor.
6. Results of any drug/alcohol test will not be given to law enforcement authorities nor be used for any school district discipline, except as related to applicable activities noted in this policy. Access to written drug/ alcohol results will be limited to the following:
 - i. Parent/Guardian
 - ii. Student
 - iii. Superintendent Designee

Access to verbal notification that a student has tested positive for drug/ alcohol use will be provided to the following:

- iv. Principal
- v. Counselor
- vi. Coach/sponsor of the specific activity in which the student participates at the time of the positive test.

All information related to the testing or the identification of students as a user of illegal drugs/alcohol will be protected by the District and its employees, officers, and agents as confidential, unless otherwise required by law, in response to overriding public health and safety concerns, or as authorized by the parent/guardian or student. The District will destroy the records maintained under this policy in accordance with the District's records retention schedule.

7. If the drug test indicates positive results, the laboratory will immediately forward the results to its MRO. The MRO will contact the parent/guardian of the tested student to report the positive result, as well as determine if prescription medication or other legal substances may have caused the positive result. The testing company will then inform the school of the positive result. Information obtained from the parent/guardian will be provided to the MRO for review and issuance of his/her determination.
